Charity Donations

“Each year we are privileged to be able to donate money that has been raised through the companies Metal Recycling Scheme, this year we are able to give to 2 very deserving local charities. You’ll see myself handing a cheque for £1012.33 to Jenn Couldrake co-founder of Wiltshire Wishes, a charity that raises money to provide magical wishes for children and their families who have been affected by an illness, a life changing medical condition or terminal illness, this is the 2nd time we’ve been able to donate to Wiltshire Wishes, it’s great to put the spotlight on such a small charity that does a fantastic job. I am also seen handing a cheque for £2024.66 to Nicky Clack, Fundraising Assistant from Julia’s House, I visited the hospice in Devizes to personally hand over the cheque and was blown away by the fantastic facilities they have, I can see that any family in their care would be very well looked after, it’s such a tough job they do, but the team are certainly well equipped. They were very pleased to receive our 2nd donation in 2years. I do hope we can continue to support both charities again in the future. Richard Green, Crematorium Manager”.
